Main Idea Choice Board 1

Choice Activity #1: **Make an Advertisement**

Design and create an advertisement for the text that shows the audience its main idea and persuades people to read it.

Choice Activity #2: **What Should the Title Be?**

Look at the title of the text you read. Do you think this title is the best choice? Or do you think there is a different title that would be better? Defend your choice with evidence and/or details from the text.

If your text does not have a title, what title would you give it? Why? Defend your choice with evidence and/or details from the text.

Choice Activity #3: **Create a Worksheet**

Create your own worksheet that could help younger students learn and practice how to find the main idea and details of a text. Make sure to include clear directions for the students to follow.

Choice Activity #4: **Research Questions**

After reading the text, what are 2 questions that you have that you could research to discover more? List those 2 questions, conduct research to find the answers, and then record your findings.
