## Fraction Friendship Recipe Writing Activity

*Directions:*

*Follow these steps to create your own friendship recipe!*

- 1. Draw lines to divide the circle below into equal parts (at least 6).*
- 2. Then choose some characteristics of a good friend (pick at least 3).*
- 3. Record those characteristics on the lines beside the circle.*
- 4. Color the fractions of the circle to represent each characteristic of a friend (for example, use blue to represent the characteristic "kindness")*
- 5. Record the fraction next to each characteristic (example:  $\frac{3}{8}$  kindness)*
- 6. After completing the above steps, defend why you chose those characteristics and why you believe they make a good friend.*
